December 2018

Remembrance Sunday and Poppy Appeal 2018

To remember the soldiers who fought in the war, we used different materials to make our own poppies. These were made into a river of poppies and displayed in the school hall. A member of the Royal British Legion came along to our assembly and told us all about the meaning of the poppy.

Anti – Bullying Week / Stomp Rockets

As year 4 we celebrated Anti-Bullying week by wearing odd socks to show that we are all unique. Within this week we all came together to do a Stomp Rocket Challenge to raise money for educational technology. Our rockets were designed with Anti-Bullying messages – Stop Bullying – Always be kind- Respect.... 5, 4, 3, 2, 1, Blast off!! Our rockets went into space!

Relaxation

We have been lucky enough to have the school nurse come along to our year group. We all took part in relaxation sessions to help us learn how to relax and to sleep better at night. The sessions were about 30 minutes long and we had a really relaxing time!!

Annual Welly Walk

On Monday 17th December, we pulled on our wellies, wrapped our scarves around us, put on our coats, hats and gloves and ventured out for our walk! We went to the top of West Park hills and enjoyed the views. We learnt the importance of enjoying the great outdoors no matter what the weather.

Christmas Activities

This half term we have been very busy with Christmas activities! Firstly, we made table decorations for our Christmas lunch. We decorated glass jars and put lights inside, we thought they looked amazing! We were very excited about wearing something Christmassy to school. On Monday 17th December, we had our Christmas party. Everyone had a fabulous time singing, dancing and playing games before having our food that we had brought in from home.

Finally, on Monday evening we gathered around the willow circle and sang Christmas carols. This event was an opportunity for everyone to come together and celebrate.

We hope you have a wonderful Christmas
